## Buddy Family Program for New Families

At Walker School we have a great tradition of welcoming our new students and their families by partnering you up with an existing family from school. You'll get to know some other parents right away whom you can feel free to use as a resource for your questions about school, teachers, activities, etc. Your children will also have a chance to meet some new friends from their new school! Please provide the following information so we can find a good match for your family. You can return this form, or simply send an email to the address at bottom and include the details below.

You can expect to hear from the PTO prior to the school year begins regarding your match. Then your Buddy Family will reach out to introduce themselves. If you have any questions please feel free to contact us. Our students and parents look forward to making you feel at home!
